

Kathi Weight, *Principal*

NORTH THURSTON PUBLIC SCHOOLS

SOUTH BAY ELEMENTARY SCHOOL

April 12, 2010

Mr. Fernstorm,

Thank you for this wonderful program, *Blazing a Trail for Literacy*. It would be wonderful to see it continue and grow to benefit many other children. The kids were thrilled with the fire truck and getting to know you. It was wonderful to see you read to the students and for them to realize how important literacy is to firemen. I was glad you reinforced the importance of reading 20 minutes daily. After you left, the children were still talking about you. They wanted to write letters and research firemen. I was thrilled you encouraged reading and also research... By coming to our library you have shown students the value of reading and literacy . Thank you so much for this wonderful program.

Diane Miller
South Bay Librarian
