NORTH THURSTON PUBLIC SCHOOLS

SOUTH BAY ELEMENTARY SCHOOL

March 29, 2010

Dear South Bay Fire Department,

Thank you so much for the newly established "Visit to South Bay Elementary" program. The time that Michael Fernstrom, Matt Richardson and John Phillips have spent with us has definitely benefited our 660 students. I have received numerous positive comments about these firefighters from staff and community members. It is wonderful to have such positive and dedicated role models at our elementary school on a regular basis. The partnership between South Bay Fire Department and South Bay Elementary School is very appreciated.

Thank you!

Sincerely,

K. Weight
