25 YEARS AGO: In the August 2001 District Monthly Report:

- A pilot program providing a printer link with CapCom (Thurston County Dispatch) was installed in Station 8-1, providing a “real-time” connection with the Computer Aided Dispatch system sending a printout for all alarms (“rip and run”).
- Five District firefighters were enrolled for the fall 2001 Emergency Medical Technician class, sponsored by Medic One and the District (at Station 8-1); members included Walker Armstrong, David Calhoun, Brent McBride, Kirsten Olsen and Karena Pendle.
- The District participated in State Mobilization during August for a wildfire event in Omak called the Virginia Lake Complex. A structural engine company (Firefighters Rendon, Wagner and Turner), single resources (McBride jointly with a North Olympia District 7 structural engine company) and overhead staff (Chief VanCamp as a Public Information Officer) were dispatched.
- A property line dispute at the Johnson Point Station 8-2 location with the neighbor was settled to establish clear easement for the neighbor and placing the entire firestation within the District’s property lines. This was a result of a survey that discovered the building was sitting approximately 6 feet over the northern boundary.
