

KNOX BOX RESIDENTIAL BOX

Knox residential key boxes are a one-time purchase that requires no monthly monitoring fee. A Knox Box holds a Knox master key. The Knox Master Key enables immediate entry to secured perimeters, gates, buildings, and commercial properties. The secure key can only be used by a professional Fire Department in an emergency. Using one key, the Knox Rapid Access System removes barriers to entry when first responders respond to an emergency call.

To order a Knox Box, go to www.knoxbox.com.

You will see in the upper left corner of the screen the availability option. Scroll to Washington, then Thurston Co Fire Dist #8.

To view products available in your area, select the first responder department/agency that services the physical installation address
